I live in [REDACTED] apartment block on [REDACTED] overlooking the existing Dublin City Council depot.

For years we have had to endure horrendous noise from this depot. This noise is continuous day and night. Often, we are plagued by noise also in the middle of the night, particularly in winter when the roads need to be gritted.

In my opinion this depot has no place in its current location, given the surrounding residential footprint. It is an intrusion into the lives of local residents and an ugly eyesore to boot.

I will be objecting with every means at my disposal to any plans to build a "super depot" at this site.
