Hi,

A brief observation on the proposed development. The Liberties is transforming like all other city centers in the world. A super depot in the heart of the city, where all our tourist attractions lie, would be in my humble opinion totally out of character with all new developments in the area.

Short-term thinking such as this is one of the reasons our city is ugly. Every other major city in the world embraces parks and green areas.

Dublin 8 deserves more than this and I for one would not be proud to leave this a legacy for the city.

Regards,
Paul Barry
