I recently moved to [REDACTED] having never been in the area before. I absolutely love it here, as does my friends and family when they come to visit. Everyone always comments on the character of the area. Having more green spaces, housing and commercial space would greatly enhance Marrowbone Lane and allow others to appreciate this part of Dublin.

Consolidating the cities depots onto Marrowbone Lane would greatly take from the character of the area. I strongly disagree with Owen Keegan's proposed plan to host the consolidated depot on Marrowbone Lane.

I strongly support the rejuvenation of the area which could be attained by following MacVeigh and Mullooly's plan to rezone Marrowbone Lane so it can be used for green space and housing.
