The drawing shows a new 2.5m wide two way protected cycle track on the north side of East Wall Road with a protected kerb. Red coloured surfacing is provided at conflict points at entrances. Modification of the junction of Church Road and East Wall Road to accommodate the cycle lane.

The provision of a new island bus stop on the northern side of East Wall Road to the east of Church Road (outside Aldi). The pedestrian access to the island bus stop platform is shown at the same level as the existing footpath with priority for pedestrians. Rumble strips are provided in the cycle lanes on the approach to the crossing point, in additional to cycle yield road markings.
