

Drawing showing the proposed layout for new cycle lanes on Griffith Avenue. Between Drumcondra Rd Upper and Grace Park Road it shows there is two way traffic and cycle lanes on both sides of the carriageway.

1.5m wide cycle lanes are shown on both sides of the road. 50m of parking has been provided east of the junction with Beresford Avenue. There is a 0.75m wide buffer adjacent to the parking.

Advanced stop lines have been included at the junction of Grace Park Road to assist cyclists.

A physical buffer consisting of vertical wands is provided between the cycle lane and traffic lane. Footpaths remain as they are currently.

PARKING SECTION DETAIL
